

powered by OInteliChart

Communicate with your clinician easier than ever before.

PATIENT PORTAL FEATURES

- Appointment Requests
- Medication Refill Requests
- Patient Preferred Pharmacies
- Secure Communication between
 Patients & Clinician
- Discreet Practice Forms
- Referral Requests

The InteliChart Patient Portal is easy and efficient to use! It saves time because now I can request appointments, request medication refills, all online!

Jennifer current Patient Porta

CREATING A PATIENT PORTAL ACCOUNT IS EASY

Step-1

To create a Patient Portal Account, visit: https://healthstatinc.intelichart.com/patientportal

Step-3 provide current email address, a password and secret question-answers. Click Register to complete the process.

Once you've finished registering, you'll receive a verification email. Click the link in that email to complete the registration process. You now have a Patient Portal account!

Your Patient Portal Account will give you access to a variety of Patient Portal features, including Requesting Appointments, Requesting Medication Refills and many more.

Creating An Account

To create an Intelichart Account, visit the Intelichart-Registration page. http://192.168.1.208/PatientPortal/account/register-with-pin (sample link, will vary by practice)

- 1. Users must enter the seven digit pin provided by the practice. These seven digits consist of alphanumeric characters, with three characters in the first-half of the pin and four characters in the second-half of the pin. Note: The seven-digit characters will be encrypted for security purposes.
- 2. Users must enter their last name.
- 3. Click Continue when completed.

Clicking the Continue button will launch the second page of the InteliChart Patient Portal Registration.

InteliChart Curriculum material. InteliChart assumes no responsibility for errors or omission and reserves the right to change this material at any time without notice. Do not reproduce or duplicate without written permission from InteliChart. Page 2 Users must first enter a valid email address. The email address entered will be used as the user name to log into InteliChart Patient Portal from this point forward.

Ş	
OINTERICHART	Patient Portal Registration - 2 of 2 Welcome Email: Enter email address here
	Confirm Email: Confirm email address here

Next, users are prompted to enter a new password. Passwords are case-sensitive, must be a minimum of eight characters, and must contain at least one number; do not start the password with a special character.

To confirm this new password, users must re-enter the password. If the passwords are not consistent, an error will appear, prompting users to re-enter the password and confirm it.

Passwords cannot begin with a special character and must be between 8 and 30 characters in length and include 1 number and 1 letter.
Desired Password:
